

## PBN declaration – declaration regarding performance based navigation (PBN) instrument privileges

### Part 1: Declaration of the pilot

I hereby declare that I meet the requirements laid down in article 4a of Commission Regulation (EU) No1178/2011 regarding PBN-privileges by:

|  |                          |
|--|--------------------------|
| Having completed a theoretical and practical training course in PBN with copy of the course completion certificate attached to this document   | <input type="checkbox"/> |
| <b>OR (choose one)</b>   |                          |
| Previous training and/or familiarity with PBN operations through either: flying for an AOC holder with RNP approach approval or; previous familiarity with RNAV and RNP approach operation | <input type="checkbox"/> |
| <b>AND</b>   |                          |
| A successfully completed skill test or proficiency check where I have demonstrated competence in PBN operations in accordance with appendix 7 or 9 to part-FCL.                            | <input type="checkbox"/> |

|                        |  |
|------------------------|--|
| <b>Applicant name:</b> |  |
| <b>License no:</b>     |  |

## Part 2: Declaration of examiner regarding PBN checking privileges (for examiners)

I hereby declare that I, before this day, as examiner, have performed proficiency checks or skill tests which included PBN operations with a minimum of one approach as well as:

|  |                          |
|--|--------------------------|
| <b>Previous training and/or familiarity with PBN operations through either:</b>  |                          |
| Having completed a theoretical and practical training course in PBN with copy of the course completion certificate attached to this document | <input type="checkbox"/> |
| <b>OR (choose one)</b>   |                          |
| Flying for an AOC holder with previous RNP approach approval   | <input type="checkbox"/> |
| <b>OR (choose one)</b>   |                          |
| Previous familiarity with RNAV and RNP approach operation  | <input type="checkbox"/> |

I have entered the following text in the applicants' logbook:

*I certify that (first name, last name, licence number) has demonstrated satisfactory proficiency in PBN-operations in accordance with part-FCL.605.IR*

|                       |  |
|-----------------------|--|
| <b>Examiner name:</b> |  |
| <b>Examiner no:</b>   |  |

**Signature**

## Instructions for completing form

PBN declaration – Declaration regarding Performance Based Navigation (PBN) instrument privileges

The form shall be completed at least once for every pilot that has an instrument rating issued without PBN privileges included.

Part 1: This part is completed by the applicant.

Part 2: This part is completed by the examiner.

This form should be submitted together with and in the same e-mail as the Skilltest form or proficiency check form completed by the Examiner.

Examiners who fulfil the requirement of checking PBN privileges are not exempted from the requirement to undergo a PBN proficiency check themselves.
