Instructions for completing form

PBN declaration – Declaration regarding Performance Based Navigation (PBN) instrument privileges

The form shall be completed at least once for every pilot that has an instrument rating issued without PBN privileges included.

Part 1: This part is completed by the applicant.

Part 2: This part is completed by the examiner.

This form should be submitted together with and in the same e-mail as the Skilltest form or proficiency check form completed by the Examiner.

Examiners who fulfil the requirement of checking PBN privileges are not exempted from the requirement to undergo a PBN proficiency check themselves.
